# step 1

pattern 1

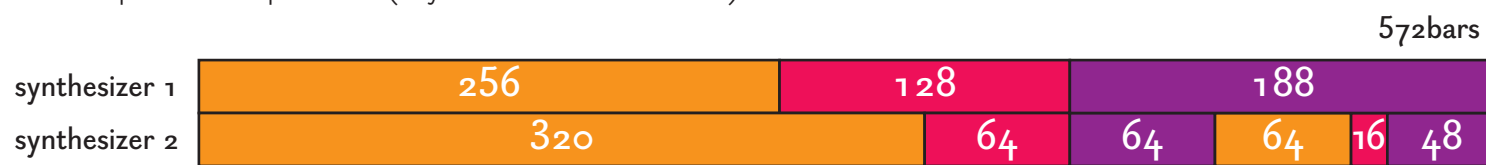

pattern 2

pattern 3

an exaple of sequence (my recorded version)

intervals of delayed sound (1 step = )

synthesizer 1: delay 1 9th step / delay 2 5th step

synthesizer 2: delay 3 7th step / delay 4 11th step

# step 2

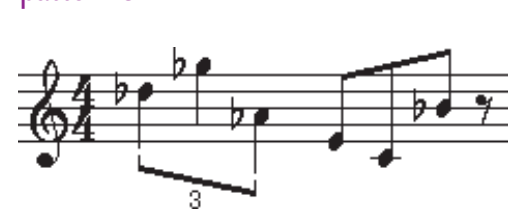

pattern 1

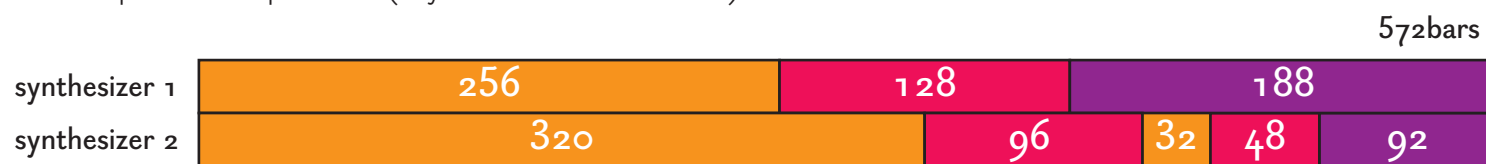

pattern 2

pattern 3

an exaple of sequence (my recorded version)

intervals of delayed sound (1 step = )

synthesizer 1: delay 1 9th step - 9th step - 5th step / delay 2 5th step - 12th step - 13th step

synthesizer 2: delay 3 7th step - 6th step - 15th step / delay 4 11th step - 15th step - 9th step

intervals are changed while the sequence is running.
